Mission Action Center Update

The **Mission Action Center** has been busy, serving over 380 people in the first six months of 2013. At present, we are very low on men's clothes—pants, knit shirts and shoes.

Please check your closets to help replenish our stock. As always we need more permanent and substitute volunteers who can give a Tuesday or Thursday morning every other week or occasionally. A special thanks to all who continue to support this ministry of our church.

Stewardship's Corner...

As you sit in the sanctuary this Sunday for worship, in Davis Hall on Wednesday night for Prayer Meeting, in Bryant Hall for a Sunday School gathering, or in the FLC Gressette Gym for Super Sunday...would you take a moment to look at the nice lighting that is provided so you can see or take a moment to feel the cool air that keeps you comfortable or stop to take a drink of water from the water fountains? The utilities are seldom thought about but remember it plays a great role in making things flow smoothly for you to gather and worship in comfort. The church has paid \$43,548.94 in utilities so far this year. That is 3.6% of our budget for 2013.
