FBC HOPE Day ~ October 12, 2013

What an exciting day it was on Sept. 29th, 2012. So many of you will remember that day as our first Hope Day event. I remember all of the planning that went into preparing for that day, but what I remember most is the day itself. Bryant Hall was packed with the many volunteers from the various Sunday School classes that participated.

This year we will have the opportunity to support our second annual Hope Day – Hope Day for Haiti. October 12, 2013 is the day we have set aside to gather at the FLC with all of the items that we will collectively bring to support the mission group that will travel to Haiti in November. The mission team will primarily focus on children in the local orphanages.

Here is a list of items that we need....and look, we already have two divisions signed up!!

Band-Aids – decorative for children – Preschool division (Alice Walker)

Children's Crocs – Children's division (Jennifer Campbell)

It will take 10 classes to gather the following items:

Underwear - 1 class for each of the following items – we will have a estimated number of children soon

Panties Briefs T-shirts Shorts

Hygiene Kits – 1 class could take on this project

soap, toothbrush, toothpaste, and washcloth

Christmas Zip Lock Bags – contents would be similar to what we have placed in Christmas Shoe Boxes – 2 classes could take on this project

If some of the classes want to expand their project by taking on a few of the larger items, here are some suggested items of need:

Sheets, Bath towels, Dish cloths, Paper, Pens, Notebooks, Pencils, Calculators, Chalk, Erasers

As you all know, prayer is most important. If we start there, asking God to bless our efforts, we will have a very successful Hope Day for Haiti. We would like for all of our classes to be involved. Please contact Jerry or Debbie French at 803-655-7563. We will manage the overall list and plug you in where the need is.

Brooke Rogers Celebrates 5 Years with FBC

Five years ago on September 2, 2008, I had the pleasure of introducing Brooke Rogers to our congregation. In the five years I have known Brooke, my admiration and respect for this capable and talented young woman has multiplied many times. Brooke is the director of our Child Development Center, but I prefer calling her the director of love and concern for our community's little ones. She is affectionately known as "Brookie" by the many children at the CDC. Brooke has accomplished much with our CDC. Enrollment and finances are the best ever, and the love barometer is at the top. Brooke has established a superior support staff, and with her constant encouragement our CDC staff shines. We are most fortunate to have Brooke on the First Baptist church staff. Please join me in celebrating Brooke's fifth anniversary with us.
