A Note from the Children's Ministry...

As of May 1st, in order to better secure the church, the three interior doors which can be accessed from the Russell Street entrance to the Education Building will be locked. These doors include the door leading to the Preschool Hall, the 2nd floor door leading to the church offices and the third floor door leading to Sunday School rooms.

You will still be able to exit from these doors. Please enter these hallways from the Middleton Street entrance. Signs will be posted so that guests visiting the church will know where to enter the building. Also, for security reasons, please do not pass through the preschool hall unless you are dropping off or picking up a child or serving in some capacity. Thank you for your understanding and cooperation in making our church as safe and secure as possible.
