**Book Collection**

This summer the youth's mission trip will be to work with Touching Miami with Love. On Wednesday nights for the next few weeks, we are going to be learn more about the ministry of Touching Miami with Love, particularly the after-school and summer programs with elementary aged children.

We are collecting new books appropriate for first graders for the youth to take with them when they go and give to the children they meet at the Homestead site of Touching Miami with Love.

We need all the books by Easter so that we can write notes in them.

Thanks for helping us to share new books with the young children in Miami!
