We Need YOU!

Our church is blessed by the many people who give their time, talents, and hearts to make our church family strong. One of the ways we can all get involved is by serving on a committee.

We are asking our church members to prayerfully consider where they might like to serve this year. **You don't have to have experience—just a willing heart!**

There are several committees and areas of ministry to choose from, and we would love to have you be a part of one.

Please take a moment to sign up for a committee that interests you. We look forward to serving together and making a difference in our church and community!

Thank you

for being willing to share your time, talents, and gifts with our church family!

Children's Ministry News

Wednesday night ministries have kicked off and they are off to a great start. Our two year olds through five year olds are learning about creation through play, a Bible story, song and dance, and craft. Our first through fifth graders are learning their books of the Bible with key verses and singing their hearts, but not their energy out, in choir! Sunday school classes have made transitions with the school year and our first graders received their Bibles. We look forward to all that the Fall and Winter has to offer across the ministry. I prayerfully hope you'll join us in the many ministry opportunities whether volunteering, enjoying, or bringing littles. It takes all of us working together to raise up future generations to love the Lord our God and serve Him.
